
START-READY CHECKLIST

January:

- Placement exams open in January. The math placement exam is required for all incoming students. The language placement exam optional, for those who are interested in taking a language at Norwich.

February:

- Students should be completing their Housing forms. These forms help match students up with a roommate who will be a good fit.

March:

- This is the time to schedule physicals with your primary care doctor. Students can print out a copy of their medical forms from their portal and bring them to the appointment.
- Financial aid packages will be sent in March. Enrollment advisors are available to discuss the package so students can fully understand what they are being offered.

April:

- Our accepted student open house, NU 101 is in April. This event showcases all the wonderful things Norwich has to offer and gives students a chance to meet their future classmates!
- Enrollment advisors will help students register for their fall classes.

May:

- All students are required to have medical insurance. If they are staying on their parents' medical insurance, they can complete the University's insurance waiver form this month.

June:

- Student bills are posted in June. This is the time to set up anyone who is helping with the bill as an authorized users on the account.
- June is also the time to set up a Payment Plan

July:

- Make sure you have reviewed the packing list for your lifestyle. Start gathering everything so you are not stressed when it's time to move in!

August:

- Fall tuition and fees are due in August.
- Arrival Days! Students can check their application portal for their assigned arrival day and time. Depending on the student, this can start as early as the second week of August. Keep this in mind as you plan family trips.
